Part B for Oct 1932

SUBJECT.

Conditions of Provident Fund
Contribution of Dr J. Rowan

From

Dr Robinson

Dt 14.9.32

Forwards the Comptroller's letter No S.P.7 & Dt 29.8.32 in ~~orb~~ original requiring him to pay the initial subscription of not less than Rs 125/- p.m towards the provident Fund and enquiries whether he has to pay Rs 125/- in addition to Govt. contribution of Rs 200/- p.m.

Kind Reference is invited to para 4 of the C.O. Dt 17.8.32 fixing the Govt contribution towards the provident Fund of Dr Robinson at Rs 200/- p.m. and also to the Secretariat Minute Dt 11.8.32 in para 41 of the C.B. Collection No 112-31-1-4 placed below

Has A

Has B

It is seen from the enclosure to Dr Robinson's letter that the Comptroller has asked him to contribute Rs 125/- p.m. This is evidently based on the analogy of the rules regulating the provident fund ~~of~~ in the Electrical Deptt. According to items 6 & 7 of Has C Rules an officer has to contribute to the fund a sum equal to one anna in each rupee of pay drawn (at 1/12 of his pay), the Govt contribution in addition being at the rate of a sum equal to the amount subscribed by the officer. (Dr Robinson is drawing Rs 2000/- p.m and ~~I~~ of Dr Stanley would work up to Rs 1a:

WD 70—GBPM—60.000—13-8-31

I orders have been passed fixing the amount payable by Dr Robinson in addition to the first Contribution of Rs 200/- p.m.

Dr Robinson further enquires whether the amount recovered by him towards P.F. would be refunded to him with interest in the event of his leaving the Mysore Service before the expiry of the full term of five years from 15-8-32. According to the existing orders, the provident fund (Contributed by Govt) is not payable to him unless service for the full period of five years is completed.

Re: Provident Fund. The only point on which no decision was taken specifically recorded is as to whether should contribute Rs 200 p.m. & Govt. amounts would be payable only if full term is put in. It has not been settled what rules are to apply in regard to these amounts

(I) What amount if any is to be contributed by the party every month

(II) Rate of interest to be paid on such amounts to be contributed by Govt & the party

(III) In case the full period is not put in whether the amount contributed by Dr Robinson would be repaid to him with interest.

Serial No.

In the case of Sir C. Todhunte the rules of the Electrical P.F. were generally adopted Probably these rules may be suitable in the case of Dr. Robinson. According to this —

(i) Dr. Robinson may contribute 1/6 of his pay i.e. Rs 125 a month, as already assumed by the Comptroller.

(under Ry. P.F. Scheme, party contributes 1/12 pay)

(ii) On 1st July of each year the account of the officer may be credited with the same rate of interest as State P.F. (3 p.c. at present).

(iii) In case of resignation / before expiry of full term it is only the Govt. contribution that will not be payable. The amount contributed by the party with interest thereon seems to be repayable.
